Re: **CC Docket No. 02-6**
Request for Review

I am requesting your review of a USAC denial of the following:

Applicant Name	Orange County Public Schools
Billed Entity Number	127681
Form 471 Application #	684088
FRN Number	1903229

We submitted a service extension delivery request for the reason that we were not able to complete delivery and installation due to reasons beyond our control. This request was denied and we appealed the decision. The appeal was denied.

The reason that we are asking for a review is the fact that a previous appeal was **approved** even though it was the same set of circumstances as above. Please note the following:

Applicant Name	Orange County Public Schools
Billed Entity Number	127681
FRN Number	1911346

As I mentioned above, I initiated a service extension request on both of the above FRN numbers, 1903229 was rejected however 1911346 was approved and paid.

Thank you for your consideration.

Sincerely

David Klein

This letter explains the basis of USAC's decision. The date of this letter begins the 60 day time period for appealing this decision to the Federal Communications Commission (FCC). If your Letter of Appeal included more than one Application Number, please note that you will receive a separate letter for each application.

Funding Request Number(s): 1903229
Decision on Appeal: **Denied**
Explanation:

- FCC Rules related to the payment of support for discounted services establish deadlines for service providers to deliver services/products to the applicant. The FCC provides an extension of this deadline under certain conditions. Those conditions are documented in the Reference area on the USAC website. (See Service Delivery Extensions for more information.). In accordance with FCC Report and Order (FCC 01-195) released on June 29, 2001, in order to provide additional time to implement contracts or agreements with service providers for non-recurring services, applicants must submit documentation to the Administrator requesting relief on or before the original non-recurring services deadline.

Your appeal has not brought forth clear information establishing that application for relief was made prior to this deadline. Therefore, your appeal is denied.

FRN 1911346 was approved previously because it was submitted within the FCC mandated date.

Game Time AS 1903229

If you believe there is a basis for further examination of your application, you may file an appeal with the FCC. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be POSTMARKED within 60 days of the above date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD section of the USAC website or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

We thank you for your continued support, patience and cooperation during the appeal process.
